To whom it may concern

We hereby acknowledge the participation of

'Sinca Noua Folklore Ensemble' – Sinca Noua (Roumania)

to the

55th Worlddancefestival 'Hello Schoten!' – Belgium

held from 12 to 19 July 2013.

The programs shown by the ensemble were of a very high qualitative standard and largely contributed to a successful edition of the festival.

We can therefore recommend the group for participation to any other festival.

Yours truly.
